Law Enforcement Training Exercise in American Canyon and Calistoga, Napa County

On Friday, 01/04/19, the Napa County Office of Emergency Services (OES) will conduct a full scale Active Shooter Drill in American Canyon and Calistoga. The purpose of the drill is to provide training and evaluate the immediate tactical response to an active shooter situation as well as identify future training needs and/or policies and procedures related to an emergency response.

- The drill is expected to begin at 0900 hours at the following locations:
 - American Canyon Community Center - 100 Benton Way., American Canyon
 - Drill will end at 1600 hours
 - Calistoga Junior/Senior High School - 1608 Lake St., Calistoga
 - Drill will end at 1300 hours
- School will be out of session and the locations will be closed to the public.
- During the exercise, those in the immediate area may notice multiple law enforcement and fire vehicles, first responders, caution tape strung around the sites, and loud noises/voices.
- Businesses and those living within a half mile of each site were sent community advisory notices.
- Public Information staff will be on location at each site to provide traditional and social media updates throughout the day.
- There will be limited opportunity for media outlets to observe the drill. Media interested in observing a portion of the training should contact the lead public information personnel for each site by 1700 hours on Thursday, 01/03/19.

SITUATION SUMMARY

Cal OES COASTAL REGION (Continued)

Cold Weather Event, San Mateo/Mendocino/Santa Clara Counties

No watches or warnings reported, however, several counties have activated cold weather response plans and opened additional beds in shelters and/or warming centers in response to cold overnight temperatures.

- San Mateo County:
 - Emergency shelter beds have activated due to a forecasted overnight low of 40 degrees or lower with a probability of rain of less than 50%. People in need of shelter should be referred to the nearest Core Service Agency.
 - The list of Core Service Agencies is available at <http://hsa.smcgov.org/emergency-safety-net-assistance-cores>. After business hours, contact LifeMoves at (650) 533-2022.
- Mendocino County:
 - A warming center has opened at the Ukiah Valley Conference Center during the day for people to come in and get warm and use the facilities. Additional overflow emergency winter shelter beds have been added to two shelters: RCS- Ukiah & MCHC - Fort Bragg.
- Santa Clara County:
 - The County Office of Supportive Housing extended the expanded shelter services and warming centers through Tuesday morning, 01/08/19.
 - The City of San Jose will continue to provide Overnight Warming Locations until Tuesday morning, 01/08/19
 - Santa Clara OES will host an Operational Area Inclement Weather conference call on Friday 01/04/19 at 1400 hours.

Cal OES SOUTHERN REGION

Public Safety Power Shutoff (PSPS) Events for Southern California Edison (SCE) (Final)

On 12/30/18, the California State Warning Center (CSWC) received notification from Southern California Edison (SCE) advising of a potential Public Safety Power Shutoff (PSPS).

- As of 01/01/19, 1158 hours, SCE is no longer monitoring circuits for potential PSPS impacts due to improving weather conditions.
- On 01/02/19 at 1539 hours, SCE advised CSWC that the Taiwan circuit has been reenergized and power has been restored.

California 911 System

CA 911 Outages		
Northern California	Central California	Southern California
No 911 Outages	911 Outage	No 911 Outages

911 Outages/Remote/Community Isolations:

Community Isolation, Burrel Central Office, Fresno County (New/Update)

On 01/03/19 at 0054 hours, the CA 9-1-1 Branch reported the Burrel Central Office is unable to make 9-1-1 calls due to a network event. The outage started at 2351 hours on 01/02/19 and was reported at 0026 hours by the AT&T Resolution Center.

- Fresno County SO dispatches for this area and has been advised of the outage.
- The PSAP is unaffected by the network isolation and answering all other 9-1-1 calls normally.
- Wireless 9-1-1 calls are not impacted.
- 191 Landlines impacted
- Technicians are on sight and testing has been conducted.
- Trouble is pointing to bad circuit packs.
- There is no estimated time of repair.
- Additional information will be provided as it is received.

Service Interruptions:

- None reported

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Winter Storm Watches for multiple counties in Northern and Central California from early Saturday morning through Sunday morning.
- Moderate rain and snow are expected this weekend leading to mountain travel impacts.
 - Gusty winds could also be an issue for the Valley and higher elevations.
 - Possible burn scar impacts

SOUTHERN CALIFORNIA

- Rain is expected on Saturday into Sunday morning (beginning in LA County on Saturday night).
 - Peak rainfall San Luis Obispo / Santa Barbara counties Saturday afternoon-Saturday night
 - Peak rainfall Ventura/LA counties Saturday night into Sunday morning
 - Storm totals expected to range between 0.50-1.50 inches (highest amounts on south and southwest facing foothills and mountains, especially Santa Barbara and Ventura counties)
 - Peak rainfall rates generally 0.25-0.50 inches per hour.
- POTENTIAL IMPACTS:
 - Localized shallow mud and debris flows possible first-year burn areas, mainly nuisance level with localized damage possible.
 - Mudslides and rockslides, especially Highway 1 and canyon roads
- Freeze watch remains in effect from late tonight through Thursday morning for Santa Barbara County Central Coast
 - Temperatures will fall between 25 and 31 degrees.
- Hard Freeze warning is in effect until Thursday morning for San Bernardino and Riverside County.
 - Temperatures will fall between 25 and 30 degrees.

Active Weather Warnings, Watches and Advisories by County:

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

Key Points

01/03/19 - 01/09/19

Thursday-Friday

- Gusty northeast winds over portions of southern CA including the Santa Monica Mountains, Ventura County Coastal Valleys, Los Angeles County Mountains, San Bernardino and Riverside County Valleys and the Inland Empire will continue to bring elevated fire weather conditions
- Dry conditions across the state outside of the far north coastal areas with no significant weather impacts

Key Points

01/03/19 - 01/09/19

Saturday-Sunday

- Strong storm system will move across the state bringing valley rain and mountain snow
- Significant mountain travel impacts over the Sierra and mountains of Shasta and Lake Counties
 - Mountains of Shasta and Lake Counties
 - Total wet snow accumulations of 4 to 8 inches down to 3500 feet, with localized amounts up to 24 inches higher elevations possible
 - Sierra
 - 1-2 feet of snow with up to 3 feet locally
- Gusty winds over the Sierra will cause areas of blowing snow and may cause downed tree branches
- Heavy rain may cause debris flow concerns on recent burn scars

Monday-Wednesday

- Several more storm systems, potentially strong, will move across the state bringing another round of valley rain and mountain snow
- Significant mountain travel impacts will be possible again over the
- Heavy rain may cause debris flow concerns on recent burn scars
- Confidence is high on the active weather but low at this time on exact precipitation amounts
